

Remarks

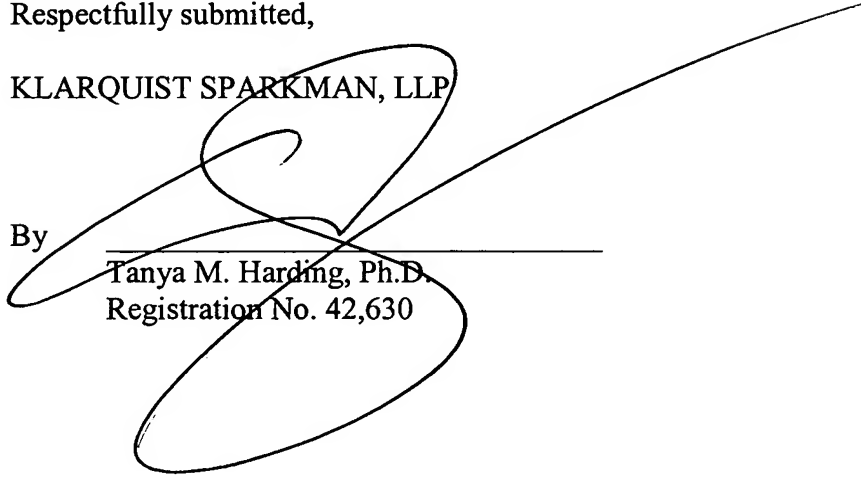

By this amendment, the specification has been changed to reflect prior related applications, and to add an abstract on a separate page. Claims 8 and 27-33 have been canceled, and claims 7, 9, 25 and 26 have been amended to remove multiple dependencies and conform to U.S. claiming conventions. New claims 34 and 35 have been added, directed to subject matter originally in a multiply dependent claim. No new matter is added by this amendment. After entry of this Amendment, **Claims 1-7, 9-26, 34 and 35 are pending.**

The Examiner is invited to telephone the undersigned if any questions remain concerning the amendments made herein. Otherwise, the present application is ready for substantive examination, and such action is requested.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
